

# Sonwflake Ice Machine Series

Applicable scene: Pharmaceutical, Food, Environmental Protection, Mining, etc.

## ■ Presentation

There are running, ice full, water shortage, fault code display.

All stainless steel shell, beautiful and elegant, durable.

Full computer control, full monitoring, perfect protection.

The ice shape is small, the refrigeration effect is good, and it can meet the needs of different customers.

## ■ Parameters

| Product model | Ice making capacity | Ice storage capacity | Ice shape                | Power/Voltage | Product dimension | Machine appearance |
|---------------|---------------------|----------------------|--------------------------|---------------|-------------------|--------------------|
| IMS-20        | 20kg/24h            | 10kg                 | Irregular small granular | 280w/220v     | 330×480×605mm     | Whole set machine  |
| IMS-30        | 30kg/24h            | 10kg                 |                          | 300w/220v     | 330×480×605mm     |                    |
| IMS-40        | 40kg/24h            | 15kg                 |                          | 360w/220v     | 400×543×700mm     |                    |
| IMS-50        | 50kg/24h            | 15kg                 |                          | 380w/220v     | 400×543×700mm     |                    |
| IMS-60        | 60kg/24h            | 25kg                 |                          | 420w/220v     | 400×510×845mm     |                    |
| IMS-70        | 70kg/24h            | 25kg                 |                          | 460w/220v     | 400×510×845mm     |                    |
| IMS-85        | 85kg/24h            | 25kg                 |                          | 480w/220v     | 400×510×845mm     |                    |
| IMS-100       | 100kg/24h           | 40kg                 |                          | 520w/220v     | 500×611×940mm     |                    |
| IMS-120       | 120kg/24h           | 40kg                 |                          | 550w/220v     | 500×611×940mm     |                    |
| IMS-150       | 150kg/24h           | 40kg                 |                          | 680w/220v     | 500×611×940mm     |                    |
| IMS-200       | 200kg/24h           | 60kg                 |                          | 1040w/220v    | 680×611×1100mm    |                    |
| IMS-200F      | 200kg/24h           | 200kg                |                          | 1040w/220v    | 570×830×1520mm    | Split machine      |
| IMS-300       | 300kg/24h           | 200kg                |                          | 1360w/220v    | 570×830×1590mm    |                    |
| IMS-500       | 500kg/24h           | 300kg                |                          | 1650w/220v    | 770×765×1870mm    |                    |
